Walk for Animals on May 15th

Please join us on Sunday, May 15th from 10 a.m. until 2 p.m. at Nomahegan Park in Cranford (across from Union College) as we **WALK FOR ANIMALS**. (The rain date is Sunday, May 22nd.) All proceeds will be used exclusively to support our Pet Rescue & Adoption Program that provides medical care, food and shelter for homeless pets. You may attend with or without a dog. It is great fun to see all the dogs and they love the attention. So, if you do not have a dog to bring, come anyway. The other dogs will be delighted to see you.

help our many homeless cats and dogs. A form appears below.

Participants may start the Walk any time between 10 a.m. and 1 p.m. The Walk is approximately two miles in length. Refreshments will be served. Each dog that attends will receive a Doggie Bag filled with goodies.

Your participation and donations to the Walk help homeless pets all year round. The three pups pictured are just a sample of those rescued. There were five pups in the litter, but only four survived. The mother dog also could not be saved. She was too weak and emaciated, beyond our help. You know that PFA would have done everything possible to save her if we could. The mother dog gave her life so her pups could survive. Please come to the Walk or donate what you can to save these precious lives. The Walk is a joyous event with dog meeting dog and old friends saying hello. Our volunteers love to see the dogs they rescued and adopted. Please make a special effort to join us at Nomahegan Park for the walk.

Contests for the dogs will be held at 11 a.m. and at 1 p.m. The contest categories are: best trick, best kisser, fastest tail wagger, highest jumper, shortest dog and tallest dog. Dogs may enter any or all contests but may win only one contest. To participate in a contest, a dog must be registered for the Walk.

Every participant who turns in \$75 or more in sponsor donations on the day of the event will receive a free People for Animals tee shirt. There will also be tee shirts and animal-friendly merchandise for sale. In addition, the four participants who turn in the most money in sponsor donations on the day of the event will each receive a \$25 PETSMART gift card.

2005 Stars for Adoption

If Bubba Played Football, He'd Be an All-Pro Tackle

Among the many pets for adoption is Bubba, a big and lovable four-year-old cat. This extremely mellow, friendly and affectionate cat is perfect for someone who wants a companion to sit and watch TV or just lounge around the house. Bubba is altered, current with his vaccinations, and tested negative for feline leukemia. Bubba did test positive for FIV but has had no symptoms and may never have any. For information about our pets for adoption, call 908 964-6887 and dial 306 for dogs and 307 for cats.

Hercules: The World Awaits his Adoption

A truck driver with a big heart rescued Hercules off the streets of Elizabeth. After many calls to rescue groups, PFA was the only one who offered to help. This good-natured cat is a survivor and had to be someone's pet at one time. He is neutered, current with vaccinations, and tested FIV and Felv negative. Hercules has a deformed paw but it does not bother him. His rescuer advertised the plight of Hercules on the Internet. Cat lovers across the country and the United Kingdom anxiously await Hercules' adoption.

INFORMATION FILED WITH THE ATTORNEY GENERAL CONCERNING THIS CHARITABLE SOLICITATION MAY BE OBTAINED FROM THE ATTORNEY GENERAL OF THE STATE OF NEW JERSEY BY CALLING 973-504-6215. REGISTRATION WITH THE ATTORNEY GENERAL DOES NOT IMPLY ENDORSEMENT.

President's Message from Martha Sides

Are you sending donations to animal groups that do not share your values? Some rescue groups declaw homeless cats and kittens

before adoption. Some groups euthanize unadoptable homeless dogs or cats in their care. Some nationwide groups advocate mass killing of outside cats. People for the Ethical Treatment of Animals (PETA) believes that feral cats should be removed and killed rather than trapped, neutered & returned (TNR). The Audubon Society endorses deer hunts and is undergoing a campaign to convince the public that outside cats are dangerous to humans and wildlife, and The American Bird Conservancy and The Wildlife Society both advocate trap and kill. Even the Humane Society of the United States discourages TNR according to the February 2005 newsletter of the New Jersey Animal Rights Alliance (NJARA) in an article entitled "Are Your Donations Killing Feral Cats?"

People for Animals does not believe killing is the solution for any animal problem. There are so many animal welfare groups with different ethics vying for donations. Before you donate, be sure that you agree with those values. Ask questions about the group's policies, ask to see an audited financial statement, ask what percentage of total expenses go to fundraising, ask if the work of the group is supported by foundation grants. Make sure your hard-earned dollars are supporting worthy organizations that agree with your ethics!

Happy Tails of Adopted Pets

So Pleased to See Elroy Healthy & Happy

The Delguidice family adopted Elroy in September. Elroy was rescued from Newark Humane, and subsequently developed a vicious upper respiratory infection. He had very little hair when rescued, and ended up on IV antibiotics for 3 days where it was touch and go. He now has all his hair and is happy and healthy with his new family who love him very much.

Grace and Friends ... How Cute!

One of our puppies Grace is with her new Pomeranian friends. Grace was rescued from Jersey City with three littermates and is spending her first Christmas with her new family, the Schaub's.

Rubia...A Gem of a Dog

We had a fabulous weekend and we are looking for doggie pictures with Santa. We think Rubia is the most wonderful and beautiful dog. She is so beautiful. We had 10 people over on Saturday night and she loved everyone and gave them kisses and they loved and petted her. She was the center of attention. I just don't know how to thank you for all PFA has done. Carol & Cara Ricci cannot imagine life without this precious gem. (Editor's Note: Rubia is a middle-aged, blind-in-one-eye dog that obviously had been over-used by an unscrupulous breeder. She was rescued from living in someone's garage her whole life. She got passed over time and again at adoption day. Thank you Carol & Cara for seeing Rubia's true beauty.)

Chen and Chaucer

Cynthia Colvin tells us not to be fooled by these sweet faces. Chen and Chaucer are full of mischief but oh so lovable. These two kittens live happily with two rescued Greyhounds.

Jessie...A Real Cool Dog

Jessie is a great dog who loves people but most people were afraid of him. He looks tough but is a real pussycat at heart. Fortunately for Jessie, the Hyland family saw the real Jessie under that tough looking exterior and adopted him. What a lucky dog.

Pepper

Joy & Jon Gray tell us that Pepper is their wonderful loving cat who continues to touch their hearts everyday.

Tiger Cat Estomata

Tiger helps his mom, Meredith Feld, foster cats for PFA.

'THANK YOU' from CHARM and her Many Friends

Adopters proclaim, "She is the best dog!" The Harmon family goes on to say that Charm is smart and brings her food bowl when she wants a treat. Can get her ball and other toys that she hides. Charm knows the toys by name. She sleeps with the family's son and sits on the son's bed looking out the window during the day when no one is at home. She never had an accident in the house and can stay at home alone without a crate and is not destructive. The family took her to a tree lighting in the community and she was good with everyone...did not jump...sat and let kids pet her. Charm even had her picture taken with Santa.

YOUR GENEROUS DONATIONS MADE IT POSSIBLE TO SAVE CHARM'S LIFE AND TO HELP PFA RESCUE NEARLY 1,000 CATS AND DOGS IN 2004. WE ARE SO GRATEFUL TO YOU.

Volunteer Recognition & Youth Award Presented

Congratulations to the winners of the 2004 Volunteer Recognition Awards and to the winner of the 2004 Youth Award presented at the Volunteer Recognition Open House on November 7th at Sunrise Assisted Living in Westfield. The Sunrise Assisted Living facility is just beautiful and PFA is so grateful to Maggie Schock for allowing us to hold our event at this outstanding venue. The winners are:

Carol Hilton - Lifetime Achievement
Cindy Beam - Outstanding Volunteer
Kim Chester - Outstanding Volunteer

Sue Heineman - Outstanding Volunteer
Carol Zambito - Outstanding Volunteer
Rebecca Dorward - Youth Award

Rebecca Dorward is 10 years old and in the fifth grade. She assists PFA by volunteering at the Bridgewater PETsMART's Luv-A-Pet Center on weekends giving loving care and comfort to the cats, feeding them, cleaning litter boxes, helping with adoptions, etc. In addition, she has done a great job selling sweepstakes tickets. Her goal is to attend the University of Pennsylvania Veterinary School to become a veterinarian.

Thank You to Barnes & Noble Gift Wrap Volunteers

Thanks to the countless hours that Santa's elves spent gift-wrapping at Barnes & Noble, PFA raised over \$4,600 in holiday donations. PFA would like to thank the management, David & Debra, and the staff of the Springfield Barnes & Noble store for this opportunity to help our homeless pets. Give a big round of applause for Delia Collins who organized this effort and for all of our volunteers, the new and seasoned wrappers. Special recognition goes to these volunteers for the many hours that they donated: Harriet K, Hortense S., Sophia R., Michelle N., Anna and the students from Summit High School.

Be The Talk of the Town...HOST A 'PETWARE' PARTY'...A What?

What's a PETWARE PARTY? Glad you asked...a PETWARE PARTY is like the Tupperware parties and Candle parties that you probably attended in the past except you do not have to wait for your order to be filled. The merchandise is there for you to take home that same day. You invite your pet-loving family and friends to your home for a two-hour informal get together and serve cake and coffee. A representative of People for Animals will be present to display and sell merchandise with pet designs. Some of the merchandise that is available includes: tee shirts, sweatshirts, pins, earrings, tote bags, purses, memo pads, picture frames, magnets and trays. All of the merchandise has either or both cat and dog designs. The prices are very reasonable compared to the prices for the same merchandise sold at cat and dog shows. All profits benefit our pet rescue projects. The PETWARE PARTY can be a load of fun. Of course, everyone has his/her favorite cat or dog story to tell and pictures to show. If you are interested, please call Fran at 908 400-2756 to leave a message with your name and an evening telephone number.

Pet Designed Note Cards Help PFA's Homeless Pets

The students at the Millburn Regional Day School love companion animals and want to help those in need. With the help of their vocational education teachers and of Roberta Shields, a distinguished New Jersey artist who devotes her work to animal portraits, the students have volunteered to print note cards with Roberta's designs to raise money for PFA's homeless pets. For a donation of \$20, PFA will send you ten full color note cards of the design you request. Send your check in the enclosed envelope and indicate which design (A or B) you wish. We wish to thank Henry for donating part of his winning back to PFA. The Sweepstakes raised over \$11,000.
