

Mercer County Clinic Expansion Project

NAMING OPPORTUNITIES

In keeping with our tradition of excellence, People for Animals has purchased a second facility in Mercer County which will allow us to expand our operations to further prevent companion animal overpopulation. We are embarking upon this critical mission to prevent the birth of thousands of kittens and puppies into a world where there are not enough loving homes available. Solving the homeless animal problem starts with spay/neuter – without it all other efforts will fail. We call on our members, volunteers, supporters and friends to step forward to help us realize this goal.

People for Animals is offering the opportunity to sponsor various items/spaces within our new clinic. All sponsorships will be engraved to the specification of the donor (within the space and parameters available). Donate in the amounts specified below and we will create your sponsorship specific to your wishes. You may donate in honor or in memory of a loved one or a beloved pet, and know that your gift will be used to further our goal of having every kitten or puppy born into a world where a loving home already awaits its arrival. Please don't delay – contact us today!

Building sponsorships:

A decorative plaque custom engraved to your specifications will be hung in or near the space you sponsor. Renovations of our new clinic must be completed before we can open for business. The building is sound except that a new roof and HVAC are needed, but it is currently an open floor plan which we will partition to suit the needs of a busy spay/neuter clinic. Your sponsorship will help us to quickly start to help the animals!

Waiting room: \$15,000
Surgery station: \$10,000 (2 surgery stations are available – sponsor the whole surgery suite for \$20,000!)
Exam room: \$7,500 (2 exam rooms are available, \$7,500 each)
Recovery room: \$5,000
Cat room: \$5,000 (2 cat rooms are available, \$5,000 each)
Dog room: \$5,000
Prep station: \$2,500 (2 surgery prep stations are needed, \$2,500 each)
Outdoor Bench: \$2,500 (3 benches available, which will be located outside the building)

Please contact us directly at 973-282-0890 extension 206 should you wish to sponsor any of the above items.
