Mercer Clinic Cage/Surgical Pack Order Form

The cages and surgery packs being purchased for our new facility will be similar to those pictured above. Your sponsorship will help us with startup costs and equipment needed to open our new clinic. Sponsors will be invited to have their name or a short engraving of their choice on an individual nameplate displayed along with others on a decorative plaque hung in our waiting room. A cat trap tower (not pictured) is a rolling set of shelves needed to hold traps while feral cats are altered. Please call for more details.

YES! I would like to sponsor a recovery cage or a surgical pack for People for Animals!
